Friday's are like mini vacations as we plan for lunch with Cindy's Celebrations. We are picked up like VIPS by our driver Ray. What a great way to start the day, and as he picks up the other guests he always takes the scenic route. So we get to see the local sights like surfers and maybe a whale out and about.

He regales us with tales and facts of local yore, and plays 40's & 50's music 'til we reach the door. Inside we meet old friends AND MAKE NEW FRIENDS. Then we enjoy ourselves 'til the day ends.

It doesn't matter if it's sunny, rainy or windy we can thank Carole, Lindsay & Cindy...Jackie, Laurie & Susan too for a day of getting away from it all be at winter, spring, summer or fall, because they've started something wonderful & fun and each Friday when the day is done many many thanks from all of us here. May this wonderful tradition continue throughout the years!
